

DRUG SCREEN CONSENT AND RESULTS

I give my consent to be drug tested for employment with this agency.

Required Agency Actions for a Positive Test Result

Unless the employee has a valid prescription for controlled substances for which the employee tested positive, the agency must take the following action:

- A) If the employee's test result is positive, the agency must have the test verified by a confirmation test.
- B) If a confirmation test verifies a positive result, the agency shall:
 - a. Discharge the employee or
 - b. Suspend the employee from direct patient care for at least six months
